

Keynote Speaker:  
Jack Snook

President, Emergency Services  
Consulting International  
**Preparing Ourselves for a New Paradigm**

Jack Snook has over 44 years of private and public sector experience. Areas of expertise include management and organization reviews, cooperative service and consolidation, strategic planning, program evaluations, and risk assessment. He has served as the project manager for over 200 projects throughout North America.

**Presentation Synopsis:**  
We prepare every day for emergencies within our communities, for regional disasters, and for events that jeopardize the life and property of the citizens we're entrusted to protect. But what about the facilities from which we deliver these services?
